SAMSA will issue the candidate with an interim certificate of pass upon confirmation of pass, after which all relevant paperwork and applications will be sent to SAMSA Pretoria where the original SAMSA SRC CoC will be issued.

The original is forwarded from SAMSA Pretoria to the SAMSA office where you completed your exam.

Atlantic Yachting will contact you once the original certificate is available for collection at our offices.

Please allow for at least 6 months for the original certificate to be issued.

WHAT IF I FAIL?

If you do not successfully pass the SAMSA SRC examination you will be required to rewrite the exam.

You will not be required to re-do the course unless specifically recommended to do so by the external examiner.
